Education

2024 - present

B.Tech -CSE

Manakula Vinayagar
Institute of Technology
2022 - 2024

Higher secondary-cs

Blue Stars Higher
Secondary School
2021 - 2022

High School

Good Shepherd High
School

Skills

- ◆
- ◆ Programming:
- ◆ Python
- ◆ Web: HTML,CSS
- ◆ Database: MySQL
- ◆ Tools: VS code
- ◆ Networking

Language

- ◆ English
- ◆ Tamil

About Me

Computer Science Engineering student with foundational knowledge in Python, Web Development, and IoT systems. Passionate about cloud technologies and real-time monitoring solutions. Seeking an internship to apply technical skills and gain industry experience.

Experience

Academic Project — Smart TB Monitoring Mask integrated with mobile applitcation.

Duration: Jan 2026 – Present

- Designed an IoT-based smart mask to monitor cough frequency, body temperature, and breathing rate.
- Integrated sensors with microcontroller and mobile application.
- Implemented real-time alerts, drug reminders, and risk level indicators.
- Developed graphical health data visualization for patient monitoring.

Hands-on Technical Exposure

- Worked with Arduino / ESP32 for sensor interfacing.
- Performed circuit design and hardware testing.
- Gained experience in debugging and system integration.

Self-Learning & Development

- Explored IoT healthcare solutions and wearable monitoring systems.
- Learned basics of cloud integration and mobile app connectivity.
